

THE MISSION

The Mission of The 4th Quarter is to provide the structure, process and encouragement for Christian men to focus on living the rest of their lives in a manner that honors the gifts, experience, and wisdom God has given them, according to His purpose and in His service, making a difference in the world around them to His glory and for the advancement of His kingdom on earth.

THE VISION

To see the full potential of this model for ministry and service effectively proven and expanded in its impact for God in our community, our state, and our nation – resulting in a surge of good works by men who are passionate about finishing the 4th Quarter well... honoring God by making a difference in things that really matter and advancing His kingdom... being ready when His time comes for our ultimate "retirement"...HEAVEN.

"I press on toward the goal for the prize of the upward call of God in Christ Jesus"

- Philippians 3:14

THE MODEL

Structure

Regular monthly meetings with a featured speaker, followed by small group sessions to facilitate interaction, learning from other's experiences in a trusted environment for mutual support. - Acts 2:42

Process

A deeply personal and introspective examination of each person's commitments (time and financial resources) through the filter of their God-given strengths, talents, and passions, helping them focus on doing the things that matter most in God's eyes in their own 4th Quarter. - Philippians 3:12-14

Encouragement

Providing the support for each person's individual journey through inspirational speakers and, more intimately, through small groups of trusted, respected, and like-minded men who share a commitment to the mission and vision of The 4th Quarter. - Hebrews 10:23-25

THE PROCESS

- Commit to the truth that God has a purpose for your life.....and He's not finished with you yet.
- Make a list of your God-given strengths and capabilities.
- Write down the things you are passionate about.
- Make a list of ALL the activities and commitments that fill your life now.
- Through the filter of your strengths and passions, put your "life activities" in buckets...those that you won't do anymore and those you WILL do.
- For the WILL Do's....formulate a plan to pursue the things you are passionate about...commit to implement that plan.
- Seek the encouragement and support of fellow 4th Quarter colleagues.
